FOOTBALL

COACH "RUDY" YOUELL

Youell came to us this year fresh from Emory and Henry. He took a small squad of green material and developed it into a winning ball team. He was handicapped by lack of material, and played the whole season with five backfield men. In spite of all these difficulties, this was the most successful season in the history of the school.

CAPTAIN "ASTHMA" JOHNSON

"Asthma" led his team through many hard-fought games to the most successful year in the football history of H. C. Playing all of every game at end, he showed courage and leadership, which brought him success as a captain. The opposing backfield men soon learned that it was useless to try to run around his end

EARL "CURLY" GRANT

"Curly" played every game at the fullback position. His terrific line plunging stood out in every game and made his opponents fear him. We are sorry to lose Earl for next year.

FRANK "HUSH" McBRIDE

A successful team always has a dependable center. Frank's accurate passing gave the team added confidence. This was "Hush's" last year of play for H. C.

JOHN YOUELL

John is a fighting little tackle, who can fill that position on either side of the line well. We hope to have John back next year for a good season.

EARL "MOSE" MOSER

"Mose" is a dashing halfback, who made a specialty of off-tackle plays and passing. In view of his superlative playing and excellent qualities of leadership, he was chosen to captain the team next year.

WALLACE SMITH

Wallace played his tackle position this year in grand style. His fighting qualities and determination made him a great year. This was his last year playing for H. C.

CAMPBELL "APIE" HARMON

"Apie" is a plunging halfback. He was on the receiving end of that famous Mosier-to-Harmon pass. "Apie" ended his career at old H. C. with a wonderful game against T. M. I.

HOWARD "HAM" HAMM

"Ham" was the lightest man in the line, and played end. He was a good defensive man, few gains being made over him. We hope to have "Ham" with us next year.

J. A. "JAY" YOUELL

"Jay" is an ideal tackle, who puts everything into the game and fights gamely to the last down. He is strong, fast, and as hard to shake as the rock of Gibraltar. We hope to have him with us next year.

RALPH "SLEEPY" WADE

"Sleepy" is a natural-born quarterback, who displayed wonderful judgment at all stages of the game. He was chosen Assistant Captain for next year.

MASON "BUD" STEWART

"Bud" is West Virginia's contribution to our team. He certainly showed us how left guard should be played. "Bud" will be with us next year.

DEMING "DICK" FAWBUSH

This was "Dick's" second year on the team. He was changed from fullback to guard this year, and had a wonderful year. "Dick" will be missed next year.

GEORGE "BUSTER" KING

"Buster" played the position of guard in fine style. He covered his part of the line like a blanket, and few gains were made over him. He will be back next year.

RAY FAWBUSH

Ray was a rangy end, who was very adept at snagging passes out of the air. He is also a good defensive man. Ray will be with us next year for a bigger and better season.

VASTINE "TEEN" WILDSMITH

"Teen" is a dodging, twisting, side-stepping halfback from Alabama. He is a hard tackler, and, best of all, he can play any position in the backfield.
